

39599

COP 075770560

DATE: May 23, 1984

In response to TDD# R8-8405-04

PA

SI

for Van Waters and Rogers - Denver

(Colorado Department of Health - 3012 Submission)

was reviewed.

FINDINGS:

1. PA identifies and quantifies waste disposal practices and volumes.
2. FIT concurs with "low" priority.

ACTION TO BE TAKEN:

1. Verify disposal practices, neutralization tank condition and spill problems during SI.
2. Monitor routine RCRA inspections.
